SUBJECT: RESPONSE TO LETTER DATED AUGUST 12, 2020

Dear Mr. Levinson:

The Information Technology Agency (ITA) received your letters dated on February 17 and August 12, 2020. Because the City of Los Angeles takes the security of employee and citizen data seriously, we conducted an investigation immediately upon receipt of your letter in February.

As a result of our investigation, we found that the City of Los Angeles password controls are functioning and are preventing the concerns that you raised in your letter. We appreciate the information you shared and thank you for taking the time to reach out to us.

Best Regards,

Ted Ross
General Manager
